Things my parents taught me about being a parent!

- When they cry...kiss them.
- When they are afraid... hold them.
- Let them explore... dirt washes off.
- When you say "please" & "thank you" to them... they will say it to you.
- Always do the right thing... even when nobody's looking.
- When they speak...listen.
- There are many crises in the world...spinach on the wall is not one of them.
